Historical Points of Interest

Early California Indians established the first known trail North, pursuing a route from the Los Angeles basin through San Francisquito Canyon by the shores of Lake Elizabeth, thence north and northeast.

Today we neighbor many historical relics of the past, places to tour while spending happy vacations at the Club. Ask our Manager for routing to the following pages out of California history:

Lake Elizabeth Stage Station. On Club grounds from 1860s.

Lake Elizabeth School. Founded 1869.

Old Adobes. Erected a century and a half ago. Still used daily.

Willow Springs. Famous Western stage station.

Red Rock Canyon. The Little Grand Canyon of California.

Shea's Castle. Authentic Irish castle shipped stone by stone from Ireland and re-erected.

Wild Flower Tour. Breathtaking, carpeted wonderland of springtime.

Gold Mines. Many nearby mines still operational.

Stagecoach, Surrey and Pony Rides

- **The Glenbrook Stage**

A ride in this genuine western coach will make you think you are one of the old time famous westerners. Try it.

- **The Surrey**

Grandpa courted grandma in one of these. How about you?

- **Pony Rides**

A never-ending kid's delight.

- **Sunday A.M. Trail Ride & Chuck Wagon Breakfast.** Dates announced at Club.

- **Zoo**

Native Wild Life of the Club area.

SEE THEM AT THE CORRAL

Annual Fiesta Days

In the tradition of a quieter, older period of history in California, we schedule three gala celebrations during the year.

Bring the family and friends to consume quantities of tender, succulent steer barbecue roasted in our outdoor pit and served in our shady picnic area. These are indeed occasions for fun and carefree frolic.

During the entire day there are many games and contests in which all may participate. Just before evening dancing, we crown the celebration with the ceremony of the Piñate for children of all ages. A Fiesta Day at the Club is an unforgettable experience.

Gaming activity starts at 11 A.M. Barbecue is served from 12 noon.

New Year's Eve

Although thoroughly casual and unscheduled at any time since the Club began, our New Year's Eve party threatens to become an institution of long standing. Dancing, mixers and party events have become the order of the evening topped off by a rousing, nostalgic "Auld Lang Syne". A great way to welcome the New Year.

Dancing

Square and Folk Dancing lessons every Friday night through the year. Contact our Master of Ceremonies.

Dancing as usual on Saturday nights.
